Gallegos and its sales is \$ 25 M FY.

Summary Analysis

On the basis of report the conclusion is 'Other Expenses are \$ 94.6 M this Expense is Incurred in the FY Year. Other Exp. is high on every location, property type and all months. Other Exp. is the major reason of Loss, if we reduce the unnessecery exp. or reduce some cost that will we surely recover the loss or make the profit of next FY Year.
